Our Agora Promise

Since we launched the company, Agora Models has built a reputation for providing museum-quality model kits and exceptional customer experiences.

Our entire business has evolved around our customers' needs. Everything we do is underpinned by excitement for the models we create.

Our purpose is to provide the most incredible and satisfying hobby experience.

Our mission is to make Agora Models the most loved scale-modelling company in the world. To keep us focused on this mission, we stick to a few golden rules:

- 1. A complete model is guaranteed** – we will not stop production of any model until we have made all parts of the kit.
- 2. Premium quality is guaranteed** – parts and packaging are quality checked at every stage of the process.
- 3. All models are officially licensed** – created with experts to ensure every possible detail is replicated precisely and true to the original using the latest laser-scanning and 3D modelling techniques.
- 4. Every customer will feel valued and supported.**

As we continue to bring you exciting new models, we will do so in accordance with these rules. Of course, we won't always get everything right, but we're going to work with you to make Agora Models the best!
